

## Workshop Overview

The advanced presentation skills course helps you stay in control when you're in the spotlight. It will help you present with intelligence, dealing with complex questions or difficult audience members astutely and with confidence. You will practice skills to help you make your points understood most effectively and keep your audience's attention.

## Benefits

By attending the two-day advanced presentations workshop you will develop the confidence to get your message across and ensure it will be remembered. You will be equipped with best practice tools and techniques to give you the ability to manage challenging people and situations when delivering your presentation, and an understanding of how to make your message stand out.

## Outcomes & Content
